Shall we spend the day in the countryside?** Aims: to expand, revise and consolidate the grammar, structures and vocabulary covered in the block through a series of interactive exercises. Structures and functions: a general, contextual review of all structures covered up until now. Vocabulary: a general review of the topics covered up until now. Activities: multiple choice, gap-fill and definitions - provide the correct word. **31. Housing - Additional vocabulary** This lesson provides students with additional materials to expand their knowledge of vocabulary to talk and describe the parts of the house, furniture and home appliances. Vocabulary is presented in context and there are follow-up exercises that provide extended

practice. **32. Around the house - Writing assignment** **33. Test exercises** In the last lesson of this unit, students find a variety of exercises carefully chosen to consolidate and evaluate the language skills acquired in previous lessons. **Unit 7** **34. A bit better - Typical situation** A practical immersion in the language where learners listen to a conversation between two or more speakers. In this lesson the learner will be presented with new vocabulary, and will have the opportunity to practice this vocabulary, as well as answer comprehension questions and complete general language practice exercises to improve accuracy and fluency. **35. Back to full health - Typical situation** A practical immersion in the language, whereby students will live through a real life situation, similar to one they would confront in the context of the language they are learning. In this typical situation students will listen to the experiences of a couple that need to go to the doctor while they are on holiday. In order to achieve this successfully, students will be introduced to new vocabulary and then, they will have the opportunity to listen to the conversation using the vocabulary they have learnt and repeat the dialogue. After that, students will receive feedback on their pronunciation. **36. Race me to the finish - Dialogue** The student will listen to a series of questions which they can answer freely. In this lesson new vocabulary will be introduced. Once the lesson has finished, the student will then be able to have some practice with this same new vocabulary. **37. Healthy sports - Reading** In this lesson students read and listen to a written passage of text that highlights the importance of doing regular exercise and the health benefits of three sports in particular: swimming, tennis and gymnastics. These questions follow a sequential order and elicit students' skills on active reading. Readers are asked to peruse the passage for the general meaning, particular details and logical inferences. The suggested activities comprise multiple-choice and true/false questions as well as matching statements with their corresponding sections. By practicing active and effective reading students acquire strong cognitive skills such as attention, auditory analysis, sound blending, sound segmenting, memory, processing speed and visualisation. **38. Healthy sports - Dictation** In this lesson students have to follow the dictation of a text that highlights the importance of doing regular exercise and the health benefits of three sports in particular: swimming, tennis and gymnastics. Students practice first and foremost their listening and writing skills and within the latter a range of sub-skills from spelling to punctuation. Moreover, this dictation makes students practise and enhance their vocabulary, syntax, grammar and, when reviewing his/her work, proofreading. The written passage of text has been divided into different phrases or sentences and it is listened to by the student, who has to write it. Students can listen to the phrase or sentence as many times as they wish and even ask for help if needed. Once a paragraph has been completed, students re-read it while listening to the audio and move on to the next paragraph. **39. Athletics - Speaking assignment** **40. Test exercises** In the last lesson of this unit, students find a variety of exercises carefully chosen to consolidate and evaluate the language skills acquired in previous lessons.
